

International Conference on Recent Developments in Mathematics

(ICRDM 2022)

August 24-26, 2022

Online/Hybrid

Canadian University Dubai, UAE

Publication: Trends in Mathematics (Springer - Scopus Indexed)

Organizing Chairs

Dr. Firuz Kamalov, Canadian University Dubai, UAE
Dr. Ho Hon Leung, United Arab Emirates University, UAE
Dr. Sivaraj R, United Arab Emirates University, UAE

Steering Committee

Prof. Ahmed Saleh Al Rawashdeh, UAE University, UAE
Prof. Ali J. Chamkha, KCST, Kuwait
Prof. Jeffrey J Hunter, AUT, New Zealand
Prof. Matteo Colangeli, University of L'Aquila, Italy
Prof. Mouhcine Tilioua, Université Moulay Ismaïl, Maroc
Prof. Muhammad Tahir Mustafa, Qatar University, Qatar
Prof. Nisar KS, Prince Sattam bin Abdulaziz Uni., Saudi Arabia
Prof. Prakash J, University of Johannesburg, South Africa
Prof. Qasem Al-Mdallal, United Arab Emirates University, UAE
Prof. Saadi Bougoul, University of Batna, Algeria
Prof. Satyajit Roy, Indian Institute of Technology Madras, India
Prof. Stephen Haslett, The Australian National Uni., Australia
Prof. Vajravelu K, University of Central Florida, USA
Dr. Animasaun IL, The Federal University of Technology, Nigeria
Dr. Asit Saha, Sikkim Manipal University, India
Dr. Dhananjay Yadav, University of Nizwa, Oman
Dr. Fatih Selimefendigil, Celal Bayar University, Turkey
Dr. Ilyas Khan, Ton Duc Thang University, Vietnam
Dr. Mohammad Ferdows, University of Dhaka, Bangladesh
Dr. Mohammed Djeddi, Canadian University Dubai, UAE
Dr. Santo Banerjee, Politecnico di Torino, Italy

Technical Program Chairs

Prof. Indhira K, VIT Vellore, India
Prof. Karthikeyan K, VIT Vellore, India
Prof. Murugusundaramurthy G, VIT Vellore, India
Prof. Ravikanth ASV, NIT Kurukshetra, India
Prof. Sankar M, UTAS, Oman
Prof. Satyananda Panda, NIT Calicut, India
Prof. Selvakumar R, VIT Vellore, India
Prof. Siddheshwar P.G., Christ (Deemed Uni.), Bangalore, India
Prof. Srinivas S, VIT-AP University, Amaravati, India
Prof. Umavathi JC, Gulbarga University, India
Prof. V. Ramachandra Prasad, VIT Vellore, India
Prof. Vijaya, VIT Vellore, India
Prof. Özlem Güney H, Dicle University, Turkey
Dr. Jason Johnson, Emirates College for Advanced Edu., UAE
Dr. Madhu Sudhan Reddy Katta, UTAS, Sultanate of Oman
Dr. Nagarani P, The University of West Indies, Jamaica
Dr. Noor Muhammad, Govt. College University, Lahore, Pakistan
Dr. Rushi Kumar B, VIT Vellore, India

Technical Program Committee

Prof. Alexandr Zubkov, UAE University, UAE
Prof. Anjaneyulu G S G N, VIT Vellore, India
Prof. Kweh Qian Long, Canadian University Dubai, UAE
Prof. Victor Bodi, UAE University, UAE
Dr. Aymen Laadhari, Khalifa University, UAE
Dr. Belkacem Said Houari, Sharjah University, UAE
Dr. Carla Rudder, Rabdan Academy, UAE
Dr. Eman Zaitoun, Al Ain University, UAE
Dr. Fadi Awawdeh, The Hashemite University, Jordan
Dr. Fathalla A. Rihan, UAE University, UAE
Dr. Jon Fortney, University of the Virgin Islands, Virgin Islands
Dr. Kassim Mwitondi, Sheffield Hallam University, UK
Dr. Kolsi Lioua, Ha'il University, Saudi Arabia

Dr. Ushangi Goginava, UAE University, UAE

About the Conference

The aim of ICRDM 2022 is to bring together leading international experts to discuss the latest trends and advances in mathematics. The conference covers a broad range of domains in mathematics and related fields including pure and applied mathematics, statistics, and mathematics education. The conference is co-hosted by Canadian University Dubai, UAE (QS 625) and United Arab Emirates University, UAE (QS 288).

Registration Fee

Authors presenting full paper (online) : \$185
Authors presenting full paper (in person): \$365
Authors presenting abstract (online) : \$95
Authors presenting abstract (in person) : \$285
Listeners (online) : \$50
Listeners (in person) : \$185
*The registration fee is reduced to \$100 for authors from low-income countries who present online.

**Early bird 25% reduction in the registration fee is granted to all papers submitted before June 30, 2022. For inquiries, please contact:

Speakers

Keynote Speakers

Prof. Lamberto Rondoni, Politecnico di Torino, Italy
Prof. Makinde OD, Stellenbosch University, South Africa
Prof. Panneer Selvam R, University of Arkansas, USA
Prof. Sundar S, Indian Institute of Technology Madras, India

Invited Speakers

Prof. Jong Kyu Kim, Kyungnam University, Korea
Prof. Mohammad Mehdi Rashidi, Quchan University of Technology, Iran
Prof. Rozaini Bin Roslan, ANNA Systems LLC, Russia
Prof. Susmita Datta, University of Florida, USA
Prof. Teodor Bulboaca, Babeş-Bolyai University, Romania
Dr. Aisyah Fataf, Universiti Pertahanan Nasional Malaysia, Malaysia
Dr. Kannan Sundaravadivelu, Institute of High-Performance Computing, A*STAR, Singapore
Dr. Mohammad Hatami, Xi'an Jiaotong University, China
Dr. Müslüm Arıcı, Kocaeli University, Turkey
Dr. Sivasankaran Sivanandam, King Abdulaziz University, Saudi Arabia

Call for papers

The conference has nine tracks. Topics of interest include, but not limited to:

- Algebra and Analysis
- Differential Equations and Geometry
- Operations Research and Statistics
- Graph Theory and Combinatorics
- Mechanics and Mathematical Education

Publication

All the papers which are accepted for the oral presentation at ICRDM 2022 will be published in Scopus indexed Springer Book Series Trends in Mathematics without any publication fee.
